## Book Review: HANUKKAH: THE FESTIVAL OF LIGHTS

This is a fantastic book if you need to explain the history of the Maccabees and the beginning of Hanukkah in a simple, easy-to-comprehend manner. Most Hanukkah books talk about the traditions of the holiday but not the origins or purpose of the holiday. This story talks about the Maccabean revolt, the repair of the temple, and the miracle of the oil. The illustrations are simple and complement the easy-to-read text. I highly recommend this book for any home, school, or public library.
