MERIDIAN MALE COLLEGE

We Strive to Have the Best Home and Moral Influences

Most schools pay attention to the development of the mind only. We believe in looking after the morals and manners of the boys and young men, as well as their minds and bodies. We assume that the influence in college life should be as pure and refined as in the home.

Most of our boys go home more cultured and with better morals than they had when they came. **TRY US.**

Our Curriculum compares favorably with our State Schools. We offer courses leading to the following degrees:

Bachelor of Arts.....	(B. A.)
Bachelor of Science.....	(B. S.)
Bachelor of Divinity.....	(B. D.)
Bachelor of Commercial Science.....	(B. C. S.)

Also brief courses in Pedagogy, Agriculture, Bookkeeping, Short-hand, Typewriting, Telegraphy, Music and Oratory.

SOME STUDENTS AT DRILL

If you are not advanced far enough to enter our regular College Courses do not be discouraged, for we pay special attention to instructing students in our Preparatory Department.

Faculty

We take great pains in selecting a Faculty. We strive to employ men of broad culture and hearts filled with love for humanity.

They have been educated in such schools as the A. and M. of Alabama, Vermont University, Drew Theological Seminary, Louisiana State University, Tulane University, Johns Hopkins University, Columbia University and University of Chicago.

Why Boys and Young Men Like Our College

We make them happy.

We develop the physical, mental and spiritual.

Their hours for study are safeguarded.

They develop their social nature.

They become strong and healthy.

They like outdoor sports.

They are prepared to enter the Post Graduate Department of our large Universities.

The Woman's College teachers and students give them receptions.
