Form from W. B. Camp, Architect, Dixieland College Material (4), Theophilus Brown Larimore Papers, 1907-1935. Center for Restoration Studies MS #6. Abilene Christian University Special Collections and Archives, Brown Library. Abilene Christian University, Abilene, TX.

This Object is brought to you for free and open access by the Theophilus Brown Larimore Papers at Digital Commons @ ACU. It has been accepted for inclusion in Dixieland College Materials by an authorized administrator of Digital Commons @ ACU.

In Writing About or Ordering Plans,

PLEASE MAKE ALL YOUR WANTS KNOWN, AS NEAR AS POSSIBLE, BY FILLING OUT THE FOLLOWING BLANKS. This will enable us to give you prompt and satisfactory service. Any of the blanks not filled will be considered as left for me to use my best judgment about. SHOULD YOU NOT FIND IN MY BOOKS any plans suitable to your location or wants, KINDLY SEND ME A ROUGH SKETCH, no matter how rudely drawn, giving me your idea of a floor plan, from which we will make you a one-fourth inch scale drawing, with such changes and improvements as we think best. (This offer applies only to houses costing \$1,500 and above.) The drawings will be sent to you for change or approval, with our price for making full working drawings, specifications, etc. The prices given in my books are for plans, etc., with any reasonable changes.

WITH MY METHOD OF DOING BUSINESS, and my office at your service, there is no reason why we cannot serve you just as well as if we were located in your own city. Thousands of the best people in our land, to whom we would be glad to refer you, have obtained handsome and satisfactory homes from merely rough sketches sent me. You can do the same, and we invite you to correspond with us freely.

A WORD OF CAUTION—Do not try to get too much house for a certain sum and do not require of your architect a certain sized house at a certain price, for in most cases he cannot give you both.

MY FULL WORKING DRAWINGS

Consist of basement or foundation, roof and all floor plans, and four elevations of views of the exterior, all drawn to a quarter inch scale, with every dimension carefully figured and marked. Also a FULL SIZE DETAILS for everything, inside and out, requiring a detail; complete specifications contract blanks and color plates for outside painting, describing their application.

BILLS OF MATERIALS are extra, and are not included in price of plans and specifications.

Your Name _____ City _____ State _____
 Date _____ No. _____

Remarks.

Where will House stand on this Block?
 Give Size and Shape of Lot with approximate Grades,
 Give front and principal sides.

When you send a sketch, write your Name and Address on it, especially if sent in separate package from your letter.

W. B. CAMP, Architect, Jacksonville, Fla.
