INTRODUCTION

We have attempted to list all congregations of the true church of Christ that:

1. Meet regularly
2. Worship after the New Testament pattern
3. Are composed of baptized believers

There are a few cases where a church pays rent to meet in the private home of a Christian family. We question the sincerity of a Christian family in such cases, but have listed them because of the possibility of the sincerity of the other members.

Very likely, we have included some churches that should not have been included and left off some that should have been included. Our inclusion of a congregation does not mean that we necessarily endorse their practices, and the fact that any church is not included does not necessarily mean that we believe them to be unscriptural.

Difficulties encountered were:

1. Lack of information
2. Conflicting information
3. Incorrect mailing addresses
4. Indications of unscriptural teachings

We truly hope and believe that the many dreary hours and the many pesos spent compiling this information will help our brethren to contact one another. We sincerely thank those who have patiently answered our numerous questionnaires. This directory will be revised as soon as it seems practical to do so.

Elizar Glori, student preacher at 3-C Gilmore, did most of the work in compiling this directory.

Douglass Gunselman

DG:cg

P.S. Any corrections to this directory will be appreciated.
Those marked with a question mark (?) are believed to be true churches, but we needed more information. Churches are listed alphabetically, by provinces, except for the ones in the Manila area, which are all listed under the one heading: MANILA AREA (and include Pasey City, Quezon City, as well as Manila).
