PREFACE

In offering this year book of the gospel preachers and song leaders in the churches of Christ we are conscious of errors that are beyond our power to correct. Practically every day changes are being made in addresses and this continues right up to the day of publication.

As this little booklet is being mailed out we are already starting a corrected list for 1944. All preachers and singers are requested to cooperate with us by writing the Firm Foundation Publishing House, Austin, Texas, a postal card advising us of any change of address.

We have arranged the names in the different states and countries in separate lists, thus adding greatly to the convenience of the reader and the value of the booklet. It should be carefully filed and frequently consulted.

We have compiled as nearly complete as possible the list of churches of Christ, arranged by states of the United States which we have added to this volume, making it much more valuable than any previous edition. Any information in regard to congregations which we have not included will be appreciated.

ARMY CAMPS AND NAVAL STATIONS

Nearby Churches of Christ and Their Leaders

From week to week since the beginning of the present world war, information has appeared in the Firm Foundation in regard to location of places of worship near the army camps, and naval stations. We have received many requests from members who desire information that will help their boys attend worship while in service. For the convenience and information of those interested, we have compiled the following list of camps, churches and ministers or leaders. For the sake of brevity we list only one congregation for each town although in some instances there are other congregations in that locality where disciples meet for worship.
