Volume 4

callbook

listing radio amateurs who are members or who attend the church of Christ.

Our first list, published in 1961, contained 151 stations. The 1962 list had 201 stations, the 1963 list had 235 stations and the present list contains 321 stations.

In order to recognize the amateurs who have helped financially with the publication of this callbook we are giving a special listing to every person sending in one dollar or more to cover the cost of postage, etc. These people have their names printed in all caps and their QTH set off by lines. Please accept our thanks and allow this means to be the acknowledgement of your contribution.

We wish to thank the firm of ROBERTS & SON, INC. P. O. Box 1382, Birmingham, Alabama for printing the callbook.

CORRECTIONS

To correct mailing addresses, please send both old and new address. A QSL card is the best way to notify of changes of address or corrections that need to be made for the next edition of the callbook.

The last edition contained several additional foreign calls, some US Possessions, but were not listed in the regular callbook. Servicemen and missionaries who change QTH should notify us giving your new call as soon as it is obtained.

ADDITIONS

Should you know of radio amateurs who are members of the church of Christ or attend and who are not listed in this callbook please send us their names, calls and mailing address.

EXTRA COPIES

Everyone listed in the callbook will have one copy sent via mail to his station. Additional copies may be secured by sending a #10 envelope, self addressed, plus 10¢ in coin for each callbook.
