program LSC to 21 Hi, I'm Landon Saunders. This is heartbeat. And here's today's key to success. Decide that your ability to succeed does not depend on your physical attractiveness. Our culture carries the subtle implication that success belongs to the beautiful people. Millions believe this and so guide their lives. But the important thing today is for you not to be guided by it. Now, I may not be as beautiful as some movie star, but I'm still a human being. And a human being happens to be the greatest thing on earth, regardless of its packaging. So I will decide to be free from an overemphasis on looks, especially the looks I don't have and I'll concentrate instead on the unique human being that I am. This is where I can find the meaning of my life. Today's key to success, decide that your ability to succeed does not depend on your physical attractiveness. I'm blind and Saunders. My address heartbeat Hartford Connecticut. Oh 6142 This is heartbeat
