About this collection

Title: Church Leaders Biographical Vertical File

Creator: Center for Restoration Studies

Identifier/Call Number: REST--VF--Bio

Physical Description: Five four-drawer filing cabinets

Dates (Inclusive): 1850s-2017

Dates (Bulk): 1950-2010

Location: Center for Restoration Studies

Language of Materials: English

Scope and Content Note: ACU Library staff began this set of files to collect and preserve biographical information about ministers, evangelists, missionaries, editors, preachers, authors and other church leaders among Churches of Christ and Christian Churches. It includes clippings, obituaries, articles by or about the subjects, photographs, ephemera and other information. It complements two similar sets of vertical files: the CRS Missions and Congregational Vertical Files.

In 2016 arrangement and order was improved by removing many published items (tracts and pamphlets) to be catalogued. Some non-Stone-Campbell-related files were discovered in this process and were weeded from the collection. The entire set was refoldered and relabeled and this inventory created.
