GOD NEVER MINIMIZES LITTLE THINGS

The South American fire ant, alone in a glass bottle, is insignificant. Yet, traveling in armies up to 12 or more miles in width, these insects can destroy every human, animal and vegetable thing in their path.

Alone, the ant is weak; in numbers, strong.

God has never minimized little things. A sin, quite small by human concept, kept Moses from the promised land (Num. 20:12). A drink of water in the Master's name (Mark 9:41) brings the giver a reward that will never be lost.

Many small contributions to the Herald of Truth effort enables the gospel of Christ to be heard by millions on more than 370 radio stations and 90 television stations.

The goal for the 1964-65 period is $1,932,000. This amount will carry the gospel of Christ around the world!

Only $1 a week from every reader of this announcement will accomplish this goal. God has never minimized little things. Your gift, however large or small, will be recorded in Heaven and will accomplish great works for broadcast evangelism.

Won't you give generously, prayerfully and immediately?

So that all might hear.
