20 Centuries Late...

But Not Too Late

to preach the gospel to every creature for only the second time in history - COL. 1:23

Only once in 1,964 years has the gospel of Christ been preached to every creature under heaven. Since the First Century, however, the Great Commission has been virtually disregarded throughout the ages.

When Paul trod the dusty streets of Athens, Thessalonica and Cyprus, the entire world was hearing Christ. Today there are more non-Christians in these three areas than Christians in the entire remaining part of the earth.

OUR LORD HAS GIVEN US A WAY TO REACH ALL MANKIND IN THE 20TH CENTURY

Radio and television can reach areas untouched by Christianity. It can reach China, Africa, behind the Iron Curtain and even into the jungles of Brazil, Panama, Colombia and Venezuela. It can reach over 1,000 American communities which are relatively untouched by the gospel of Christ.

Your immediate contribution of $1 to $10, and your promise to contribute regularly to the Herald of Truth program will help accomplish this goal.

Won't you consider this plea generously, prayerfully and immediately.

So that all might hear?
